## EXTRAORDINARY MEASURE

The Ministry of Health, as the competent administrative authority, pursuant to Section 80(1)(g) of Act No. 258/2000 Coll., on Public Health Protection and on the amendment of certain related acts, as amended, and Section 2(1) of Act No. 94/2021 Coll., on Extraordinary Measures during the COVID-19 Disease Epidemic and on the amendment of certain related acts, **orders** this Extraordinary Measure, proceeding pursuant to Section 69(1)(i) and (2) of Act No. 258/2000 Coll., and pursuant to Section 2(2)(b) of Act No. 94/2021 Coll., in order to protect the population against the further spread of the COVID-19 disease caused by the novel SARS-CoV-2 coronavirus:

Effective from 17 January 2022, the Extraordinary Measure of the Ministry of Health of 5 January 2022, Ref. No. 461/2022-1/MIN/KAN, is amended in that Art. VI reads:

### “VI.

An employer who arranges for its employees to be tested under Article I, a self-employed person who is tested under Article III, and a legal entity who arranges for persons who are its bodies or members of its bodies to be tested under Article IV, are ordered pursuant to Section 69(1)(i) of Act No. 258/2000 Coll., to:

- a) keep a record for inspection purposes of the tests carried out, including: the date of testing, the names of the persons who have undergone the test on that date, including their date of birth, their insurance number and the name of the health insurance company with which they are insured, and the results of the tests, and to keep such records for 90 days,
- b) send the locally competent public health authority a list of persons who have tested positive containing the following information: trade name, or name and surname and identification number of the employer, the contact telephone number and e-mail address of the employer, the date of testing, the name and surname of the person tested, their nationality, personal number or date of birth if no personal number has been assigned, the code of the health insurance company with which they are insured, their home address (street, house number, registration number, municipality, postcode), their contact telephone number or e-mail address, the competent sickness insurance authority and whether confirmation of quarantine is to be issued to the person concerned for the purposes of sickness insurance (eNeschopenka), no later than the day after testing via electronic reporting.”
