The list of countries with a low risk of COVID-19 transmission is [here](#).

ATTENTION

After arrival from the „red country“ the free-movement within the territory of CZE is banned for 10 days. This can be terminated by submission of a negative PCR test result.

The exceptions to the obligations to fill the form and submit a PCR test result:

- if your stay in the red country didn't exceed 12 hours in last 14 days
- cross-border workers, pupils and students (only neighboring countries)
- urgent travels to and from the Czech Republic not exceeding 24 hours
- transit up to 12 hours through the Czech Republic

All exceptions to the obligations are described in the Ministry of Health Protective Measure [\(here\)](#)
