

RESOLUTION
OF THE GOVERNMENT OF THE CZECH REPUBLIC
of 28 January 2021, No. 81
on the amendment of the extraordinary measure of the Ministry of Health

The Government

issues preliminary consent to the intent of the Ministry of Health to amend the extraordinary measure, which stipulates the rules for testing to determine the presence of the SARS-CoV-2 virus antigen using POC antigen tests among all persons participating in public health insurance in the Czech Republic, a draft of which is attached to this resolution.

Ing. Andrej Babiš, m. p.

Prime Minister
