

# RESOLUTION OF THE GOVERNMENT OF THE CZECH REPUBLIC

of 14 February 2021, No. 128

## adopting an emergency measure

In relation to Government Resolution No. 125 of 14 September 2021, whereby the government, in line with Articles 5 and 6 of Constitutional Act No. 110/1998 Coll., on the Security of the Czech Republic, declared a state of emergency for the Czech Republic, due to a threat to health in relation to the documented occurrence of a coronavirus (designated as SARS CoV-2) in the Czech Republic, and in line with Section 5(a) to (e) and Section 6 of Act No. 240/2000 Coll., on Crisis Management, and amending certain acts (the Crisis Act), as amended, to address the current emergency situation, the government has decided to adopt emergency measures pursuant to Section 5(1)(c) and Section 6(1)(b) of the Crisis Act.

Effective from 12:00 a.m. on 15 February 2021 until 11:59 p.m. on 28 February 2021, the **Government** hereby

**requires** public authorities and administrative authorities (hereinafter “bodies”) to commence limited operations at their workplaces due to the state of emergency, consisting of:

1. the restriction of work, state services, in particular those agendas, the performance of which must be unconditionally continuously ensured, in particular to ensure the running of public administration and public administrative services in the required scope and to perform the tasks of the government of the Czech Republic aimed at fulfilling the goals of the state of emergency; other agendas are performed to an extent which does not threaten the measures listed below, required to protect the health of state employees, employees and other officials (hereinafter referred to as “employees”),
2. the restriction of personal contact between employees and the addressees of public administration (applicants, other parties to administrative proceedings) and other external persons (hereinafter referred to as the “clients/public”) to the essential level; the restriction of contacts will primarily be conducted as follows:
  - a) preference of written, electronic or telephone contact rather than personal contact in all cases possible, while also allowing personal contact for clients/the public during office hours,
  - b) acceptance of all documents from clients/public only via the filing room workplace, if established; electronic communication will be preferred whenever possible,
  - c) if coming into contact with employees of other bodies and institutions, measures shall be adopted to prevent their direct contact; in-person meetings shall be conducted subject to increased hygienic measures,
  - d) the above-mentioned measures shall be applied *mutatis mutandis* to the internal contact of employees within the authority,
3. ensuring the operation of individual departments by having the minimum possible staffing required for the work of the public authority or administrative authority present at the

workplace;

4. ensuring the operation of the body so that any quarantine measures ordered with respect to some employees do not threaten the actionability of the body (e.g. alternating separate groups of employees, remote working).
