

RESOLUTION OF THE GOVERNMENT OF THE CZECH REPUBLIC

of 5 March 2021, No. 249

under the extraordinary measure of the Ministry of Health and
Plzeň Public Health Authority

The Government

I. issues preliminary consent to the Ministry of Health's intention to issue:

1. an extraordinary measure which will stipulate the rules for examinations to determine the presence of SARS-CoV-2 among the employees of public employers,
2. an extraordinary measure which will stipulate the rules for examinations to determine the presence of the SARS-CoV-2 virus or virus antigen in patients who are provided with long-term inpatient care, and social service users at homes for persons with medical impairments, seniors' homes and homes with special regimes, and social service providers providing residential respite services,
3. an extraordinary measure which will stipulate the rules for examinations to determine the presence of the SARS-CoV-2 virus or virus antigen among the employees of healthcare service providers providing long-term inpatient care or home care, and social service providers at homes for persons with medical impairments, seniors' homes and homes with special regimes, and social service providers providing residential respite services, social service providers at weekly residences or protected housing, social service providers providing personal assistance and providers of nursing services,
4. an extraordinary measure which will stipulate rules for employees who have performed a test on themselves or had a test performed by a lay person for the presence of SARS-CoV-2 virus antigen using a test provided by the employer,
5. an extraordinary measure which stipulates the rules for performing examinations for healthcare service providers included in the network of antigen testing centers,
6. an extraordinary measure which stipulates the rules for reporting the results of POC antigen tests to the Information System of Infectious Diseases,
7. an amendment of the extraordinary measure of 1 March 2021, Ref. No. MZDR 47828/2020-16/MIN/KAN, on the mandatory testing of employees of employers which are business or state or national enterprises,

the drafts of which are enclosed in the annexes to this resolution;

II. issues preliminary consent to the intention of the Plzeň Regional Public Health Authority to issue an extraordinary measure, which orders all retail sale establishments and establishments selling and providing services, the operation of which is not prohibited, to perform regular increased surface disinfection using a virucidal agent, the draft of which is enclosed in the annex to this resolution.

Ing. Andrej Babiš, m. p., Prime Minister
