EXTRAORDINARY MEASURE

The Ministry of Health, as the competent administrative authority, pursuant to Section 80(1)(g) of Act No. 258/2000 Coll., on Public Health Protection and on the amendment of certain related acts, as amended, **orders** this Extraordinary Measure, proceeding pursuant to Section 69(1)(i) and (2) of Act No. 258/2000 Coll., in order to protect the population and prevent the occurrence and spread of the COVID-19 disease caused by the new SARS-CoV-2 coronavirus:

I.

Effective as of 1 June 2021, the extraordinary measure of 4 May 2021, Ref. No. MZDR 15757/2020-50/MIN/KAN, as amended by the extraordinary measure of 17 May 2021, Ref. No. MZDR 15757/2020-51/MIN/KAN, is amended, this being in such a way that the words “and persons for the period of time absolutely essential for taking of photographs during a photo session organised by a school or educational facility,” are added in Art. I(3) at the end of point (v).

II.

This Emergency Measure takes effect on the date of its issue.

Rationale:

In view of the current auspicious development of the epidemiological situation and the positive trend in the occurrence of Covid-19 within the territory of the Czech Republic, which is characterised by a continuous and long-term decline in all of the monitored parameters and in relation to the determined anti-epidemic measures in the field of school attendance, it is possible to allow an exception from the obligatory wearing of protective equipment for the purpose of taking commemorative photographs, this being for the period of time absolutely essential for the taking of photographs during a photo session organised by a school or educational facility. At the same time as this, possibilities for taking photographs without wearing a protective covering of the mouth and nose are extended.
